

# No child is safe from Polio while it exists anywhere in the world

- Many Aussie kids are not immunised
- Polio needs no visa
- 1.2 million Rotarians are working globally to eliminate Polio forever
- Just \$1.00 immunises a child and prevents Polio for life

Until the last country is free of Polio it can still come back here

**Please make a donation to end Polio**

100% of Donations go to End Polio Now

Rotary has no administration charges
